THE NEW JERSEY HISTORICAL SOCIETY.

Library and Cabinet—West Park Street, Newark.

PATERSON, N. J., March 5, 1910.

Dear Sir:

I wonder if you would care to have for your International Exhibition of Medallie Art, the "strike" of the medal issued by the New Jersey Historical Society in commemoration of the centennial inauguration of Washington as the first President of the United States?

Very truly yours,

William Nelson

Corresponding Secretary.

Bauman L. Belden, Esq.,

Secy, American Numismatic Society,

156th Street, west of Broadway,

New York City.

April 27, 1910.

Mr. William Nelson,
Paterson, N. J.

Dear Mr. Nelson:

For some time before our medallic exhibition and while it was in progress, I was so very busy that I had to simply let my correspondence pile up, and not until all the exhibits were packed and delivered did I get a chance to the pile that had accumulated.

I have just dug out a letter from you, that should have been answered immediately upon its receipt, but in the rush it was overlooked.

I want to apologize for the neglect, in the first place, and then to thank you for the kind offer to place in the exhibition the New Jersey Historical Society medal.

At the time your letter was received, we had all of the exhibits here and arranged, except a couple of foreign shipments, which were delayed by the Custom House, and for which space had been reserved, and we had to decline several things that we could have received had they come earlier, and I suppose the fact that we had stopped receiving, led me to put off an immediate answer, and then the quantity of other things drove it

out of my mind, when I tell you that for over six weeks I did not spend more than three or four evenings at home, I am sure that you will think that I had some excuse.

With kind regards, I am, believe me,

Very truly yours,

Director.

Dear Sir:

Our Society, which publishes a quarterly magazine of "Proceedings," making a yearly volume of some 500 or more pages, is revising its list of libraries and societies which have been receiving the magazine free for years past. There seems to be no reason why your library should be continued on its free list. Books or pamphlets published by you and sent to us will, of course, receive a notice in our Book Review Department, but the magazine itself will not go to you hereafter unless we are given reasons to the contrary satisfactory to our Board of Trustees.

If you desire to subscribe for it, you may do so, at the usual price of \$3.50 per year, which is less than the actual cost of printing it.

Yours very truly,

(Mrs. Maud H. Reeder
